■ Aides au logement

■ Prime d'activité et minima sociaux<sup>4</sup> ■ Autres prestations familiales<sup>3</sup>

■ Allocations familiales

# Family policy...

- ... should be global and comprehensive
- ... should be very high in any government's agenda
- ... should focus on dependent children and their parents.
- **... should help families to have the number of children they want**
- ... cannot be cheap
- ... has to be consistent and stable over time
- ... has to benefit each and every family, regardless of their income
