

## AIAS Città di Monza ONLUS Italy

**Name of organisation:** A.I.A.S. - Città di Monza – ONLUS, member of Associazione Nazionale di Assistenza agli Spastici ONLUS

**Website:** <http://www.iasmonza.it/it/>

**Mission:** A.I.A.S. promotes initiatives and activities designed to meet the needs of people with disabilities and their families, to remove physical barriers, political, economic, social and cultural development that could limit the full respect of human dignity and the rights of people with disabilities and prevent the development of their personality and their participation to cultural, political, activities.

**Vision:** A.I.A.S. contributes to the development of a culture where every person, regardless of his disability situation, state of health or age, has an inalienable right to carry on free and as independent as possible life

**Target groups:** Children and adults with disabilities.
